Got An Oil Well In Your Yard?
 Probably not but there may be gold there! Particularly if you have an R-2, R-3 or oversize R-1 lot, with building space available in back, front or entirely.
 Why not start mining that gold with income-producing homes or apartments that represent perpetual cash return—a college education for your children, current prosperity and eventual retirement insurance for yourself, and a permanent buffer against business depressions, loss of employment or the increasing costs of illness.
 Let the home-hungry, apartment-seeking renters of Los Angeles' booming population build a cash reserve for you, plus that perpetual cash income. This can be yours with a BETTER-BILT home or apartment. Construction costs approximately \$5.00 per square foot! 100% financing available!
 Want to start digging that gold? Call BETTER-BILT HOMES, Frontier 6-7955 or FAirfax 0-3172. Or visit our models at 160th Street & Hawthorne Blvd., and 223rd St. and Figueroa.
